Hospice of Citrus County Herry's Kids Pediatric Services provides specialized services to children and teens with life-threatening illnesses, and offers grief support and therapeutic camps to young people who have experienced a loss.

The Capital City Bank Group Foundation is a 501(c)(3) not-for-profit, tax-exempt foundation that funds an array of special projects and community needs. Founded in 1983, the Foundation works with worthy organizations throughout the Capital City Bank service area. A committee of Capital City Bank Group Directors and Associates review requests for funds during two application periods annually. The Foundation is managed by a board of directors who work on a voluntary, unpaid basis.

Hospice of Citrus County, licensed in 1985, has been awarded the Gold Seal of Approval from the Joint Commission. Visit Hospice of Citrus County on the web at www.hospiceofcitruscounty.org.
