

Clinicians at Diamond Ridge Receive Continuing Education Training

Twenty-seven clinicians from Diamond Ridge Assisted Living recently completed continuing education training in Alzheimer's disease presented by Hospice of Citrus County. (From left) Varice Powell, Lauren Mather, Marguerite Monpremiere, Theresa Hunter, Mary Brown and Beth Morgan (kneeling) celebrate their

successful completion of training with a cake and punch reception held at their facility. For additional information, contact Hospice of Citrus County at 527.2020.
