Purpose: This inspiring workshop will help you enhance your ability to support people impacted by the death of someone to trauma loss. This compassionate workshop, presented by one of North America's leading death educators, will help you understand the normal and necessary journey through trauma grief.

Objectives: Among the content areas to be explored in this compassionate workshop are the following:

- Introduction: The Importance of the Topic
- Definition of Trauma Loss
- Outline of the special features of sudden, violent death
- Understanding the Language of Suicide Grief
- Dispel Misconceptions About Suicide Grief and Mourning
- Acknowledge the Uniqueness of Suicide Grief
- Explore Dimensions of Suicide Grief
- Understand the Six Needs of Mourning
- Distinguish "Reconciliation" from "Resolution" of Trauma Grief
- Acknowledge the Transformative Nature of Trauma Grief

Who Should Attend: This compassionate workshop will help anyone who wants to learn more about how to support trauma survivors. Regardless of your specific job title or life role, you can and will benefit from this learning experience. If you want to enhance your knowledge and skills in this area of caregiving, make your reservation right now.
