

Ladies Golf Association of Sugarmill Woods “Hitting For Hospice” Event Supports Hospice of Citrus County

The Ladies Golf Association of Sugarmill Woods recently held their first annual “Hitting For Hospice” golf tournament to benefit patients and families served in their area by Hospice of Citrus County. The tournament was a rousing success. Sugarmill Woods Golf Pro Herb Hurley and Assistant Pro David Knighton donated their time and golf drives at the event. Pictured is (second from left) Hospice of Citrus County Education Coordinator Sandra Benko, RN as she accepts \$1000 raised, as well as a supply of handmade Lap quilts for patients at Hospice House. Special thanks go out to Ladies Golf Association President Chris Venable, Tournament Chairperson Mary Kay Walsh, Tournament Committee Members Maggie Grimm and Beverly Kaplowitz, and Chris Chmielewski who donated the handmade Lap quilts.
