Pets Uplifting People's Spirits

Hospice of the Nature Coast is looking for a few good “four-legged volunteers” to share their love while visiting patients in nursing homes and assisted living facilities.

- If your dog is accepting of strangers, well behaved, responsive to command and has all of the required vaccinations, then your dog is eligible for certification as a Therapy Dog.
- A Certification Test by a CGC/TDI Evaluator will be held on **Saturday, January 28, 2012**, in High Springs. The cost is \$13.00.
 - The program welcomes purebred and mixed-breed dogs.
 - Dogs must be tested on a buckle collar or harness.
 - Dogs must be a minimum of 1 year old.
 - Greyhounds are not required to sit for testing.

As one of our PUPS Therapy Dog Teams, you and your TDI-certified dog will bring joy and comfort to local hospice patients, brightening their days and lifting their spirits.
