

CHILDREN'S REMEMBRANCE GARDEN DEDICATION

LECANTO—Members of the community, local garden clubs and employees from Seven Rivers Regional Medical Center and Hospice of Citrus County were present for the dedication of the Children's Remembrance Garden at Hospice House.

The project was funded by a generous donation from Seven Rivers Regional Medical Center. Chief Executive Officer Joyce Brancato stated, "This Children's Remembrance Garden is a place for reflection offering all within our community a natural setting to remember beloved children."

Inverness and Crystal River Garden Clubs provided manpower to create the Remembrance Garden. District V Director Florida Federation of Garden Clubs Barbara Grimes commented, "The Inverness and Crystal River Garden Clubs are proud of their participation in this project. It's a culmination of their ongoing desire to help others."

Donations were provided by Color Country Nursery, Clover Lawn and Irrigation, Central Florida Monument Company, Helen's Nursery and Taylor Rental Center.

Hospice of Citrus County, licensed in 1985 and accredited by the Joint Commission, is proud to serve as your original hometown provider. For additional information, call 352.527.2020 or visit the web at www.hospiceofcitruscounty.org.
